- 2 colourful feathers
- scissors, stapler or paper clip

open out the  
tissue paper

cut cut  
cut the ends off  
the sequin strip

slot two  
feathers  
behind the  
craft stem

bend  
over  
pointed  
tail ends.

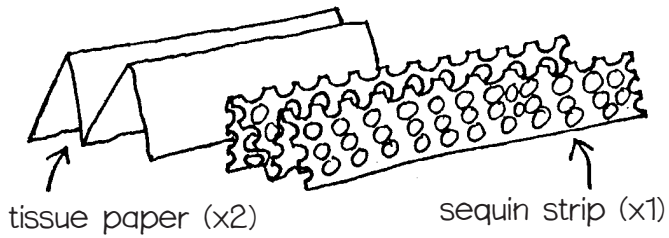

cut sequin strip  
and tissue paper  
to make rounded  
wings

choose two  
different colour craft  
stems to make a  
stripy body

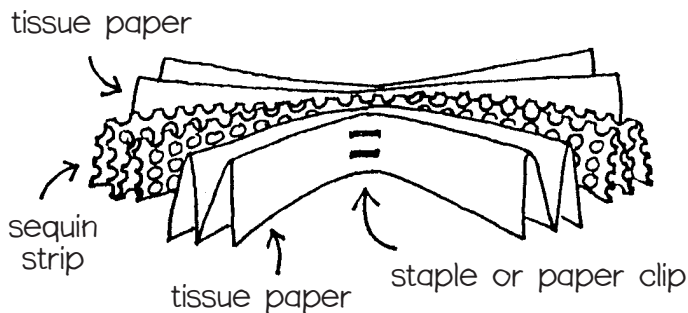

**thinking by making**

## Dragonfly making the wings

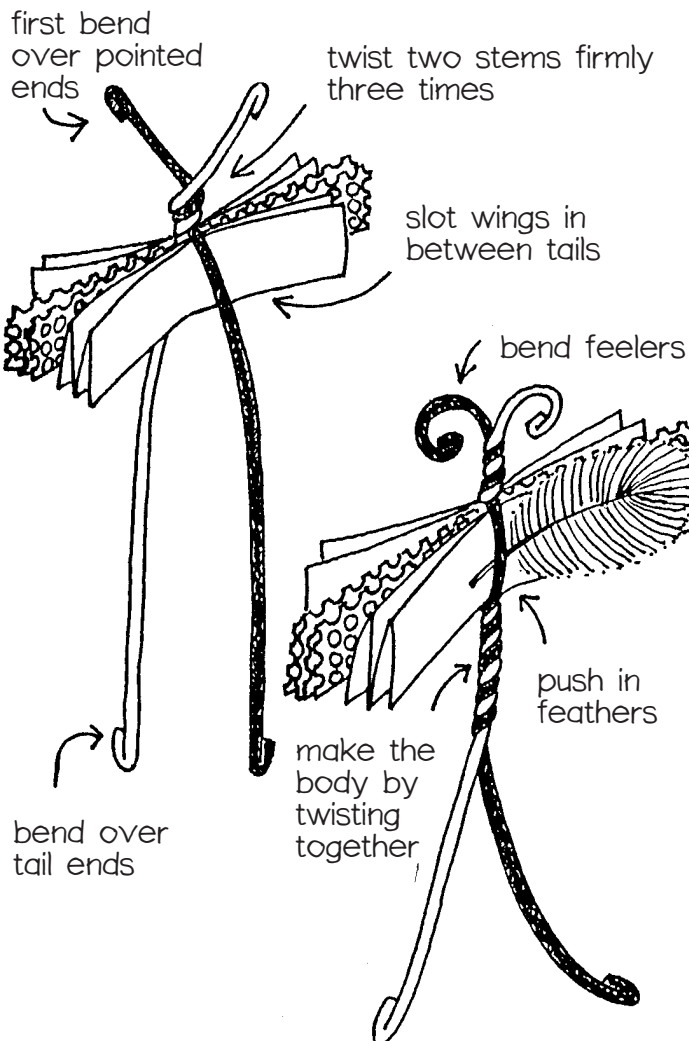

1. Fold two sheets of tissue paper and one piece of sequin strip into a 'fourfold' zig-zag wing shape.

2. Fix wings together with a stapler or paper clip
